The Forty-second Annual Report.

To the Trustees and Subscribers of the Ellen Badger Hospital.

LADIES AND GENTLEMEN,

Your Committee have pleasure in presenting their Annual Report and Accounts for the year ending 31st December, 1938.

The number of In-patients treated during the year was 344 exclusive of births in Hospital)—a decrease of 25 on the previous year. Of these 138 were Surgical, 144 Medical, and 62 Maternity cases ; 261 recovered, 47 were relieved, 5 showed no change, 3 were transferred to other hospitals, 17 died, and 11 remained in Hospital at the end of the year.

The average length of residence was 19·5 days, the average cost per In-patient, including administration, was £8 6s. 1½d, and the average cost per In-patient, per day, was 10s. 0½d.

The number of Out-patients treated during the year was 368, of whom 157 were X-rayed, 67 received Eye treatment, 38 received Ear, Nose, and Throat treatment, and 61 received Massage, Light, and Radiant Heat treatment. The average cost per Out-patient is estimated at 11s. 2d.

In the Maternity Ward there have been 63 births.

The New Wing of the Hospital to house the Nursing Staff has been completed, and is much appreciated. The Kitchen and Ward Kitchen accommodation has been improved, and the installation of "Aga" Cookers in each is proving a success.

Extensive alterations to the Hospital building are in hand, and, on completion, will provide a separate Out-patient Department. In addition, a new Heating and Domestic Hot Water system has been installed, and the provision of a Water Softener Plant has been approved. It is estimated that the total cost of these services will be about £3,300.

Special efforts have been made to raise the additional money required over and above the legacy of £2,000 received from the estate of the late Lady BORWICK.

A successful Fête was held in the grounds of Honington Hall, on August Bank Holiday, by kind permission of Sir CHARLES R. H. WIGGIN, Bart., and a sum of £614 12s. 0d. was raised. An "At Home," held by the Nursing Staff, also realised a sum of £168, and a special donation of £30 was received from Mrs. SPENSER FLOWER as a result of a pageant held at Ilmington. We tender our sincere thanks to the organisers and numerous helpers who made these events such a success.

We regret that the Annual Subscriptions are £33 less than last year, consequent on a number of subscribers having left the district.

Donations, at £168 6s. 5d. (which includes a sum of £44 9s. 9d. per Dr. P. K. WALKER, being the balance of the cost of the Diathermy Apparatus) also show a decrease of £23 16 8d., but the amount received under "Entertainments" shows an increase of £37 0s. 10d., giving a net decrease of £27 17s. 6d. on the three items.

The Income and Expenditure Account records a deficit of £21 12s. 7d. on the year.

We have to report the receipt of a bequest of £50 from the estate of the late Mr. J. H. STEVENS, per Messrs. Lloyds' Bank, Ltd.

Modifications to the ambulance, which enables stretcher cases to be more easily handled, have been carried out, the cost being defrayed by an anonymous donor.

The whole of the "Wireless" has been overhauled, and extended to convenient positions in the new buildings and elsewhere, as necessary. The cost of this has also been defrayed by an anonymous donor.

The Contributory Scheme continues to help the finances of the Hospital. The work of the Organiser, the Committee, and the Collectors is much appreciated.

A Regional Council, designated "The Warwickshire Voluntary Hospitals Council," has recently been formed, with a view to co-ordinating the general policy of the Hospitals concerned. Your Committee are of opinion that it will be of considerable service to the Hospital, and have accordingly decided to be represented on the Council.

Messrs. CHARLES HARRISON & SON, Chartered Accountants, Shipston-on-Stour, have generously offered to audit the annual accounts in an honorary capacity, and we ask you to confirm the appointment.

We regret to report the resignation of Mr. J. A. WHITAKER, Honorary Dental Surgeon.

We tender our grateful thanks to the Members of the Linen League, and also the Monthly Sewing Party, who continue their good work for the benefit of the Hospital.

Our thanks are due also to the Medical Officers for their valuable services during the year, and we also acknowledge the excellent services rendered by the Nursing Staff.

Signed on behalf of the Committee of Management,

H. F. SALE,

SHIPSTON-ON-STOUR,

Chairman.
